Dear JAI Editorial Office,

I have read the paper and I agree that the paper is sent for publication.

Best regards

> We would like to inform you that the manuscript above is ready to be published. Before we send to the publisher, we need a final correction (if any) especially regarding the rules of writing tables, images, references, etc. (in accordance with the rules of writing of atom Indonesia). We hope the results of correction are sent back to us soon. Herewith we also send a print-ready manuscript in the form of Uncorrected Proof and the rules of writing of Atom Indonesia.
